

LIST OF SCHOLARSHIPS AVAILABLE FOR IE MASTER PROGRAMS

DIRECT AWARDS THAT DO NOT REQUIRE A SCHOLARSHIP APPLICATION

IE HIGH POTENTIAL AWARD

Geographic area: All regions.

Programs: All programs.

Description: By applying for admission to IE, all applicants are automatically considered for this merit award and no application is required. The Admissions Department will identify candidates based on the strength and timeliness of their admission application, and will nominate them at the Scholarship Committee for an award. Candidates that qualify for this scholarship will be notified of the award with their admission offer.

These merit-based scholarships are determined without consideration of an applicant's financial need and are compatible with other aid that a candidate may receive in the event that greater financial need is demonstrated through IE's regular scholarship application process.

AID THAT REQUIRES A SCHOLARSHIP APPLICATION THROUGH IE

Please note that applications submitted prior to the admission will be reviewed only after the applicant is successfully admitted to IE.

IE - KISTEFOS "YOUNG TALENTED LEADERS SCHOLARSHIPS PROGRAM" FOR AFRICA

Application deadlines: May 1st, 2019.

Geographic area: Be a national of Liberia, Ethiopia or South Africa.

Programs: Master in Management, Master in Business Analytics and Big Data, Master in International Relations, Master in International Development.

Description: The IE - Kistefos Young Talented Leaders Scholarship for Africa was set up to remove financial barriers to education for high-potential individuals from Africa, helping them unleash their innovative business vision. Founded by Christen Sveaas, Kistefos AS is an investment company with a rich history in pursuing philanthropic projects committed to public service and academic development.

Selection criteria: Open to candidates with limited financial means who demonstrate academic excellence, strong leadership capabilities and an entrepreneurial mind-set. We are looking for candidates who are seeking a dynamic, global experience and are passionate about using their insights to positively impact their home countries after

graduation. They must have an outstanding academic record, with a minimum GPA of 3.5/4, 4.50/5 or equivalent; demonstrate outstanding achievements in their personal and professional lives that have had an impact on their country or community; demonstrate an international outlook, leadership qualities and a vision to better their home country after graduation and demonstrate need for financial assistance. An additional essay will be requested and preference will be given to candidates with greater financial need.

Amount: There are both full and partial scholarships available, including room and board, up to a maximum of six awards per year. The amount of aid will be determined on the basis of financial need.

IE - KISTEFOS “YOUNG TALENTED LEADERS SCHOLARSHIPS PROGRAM” FOR NORWAY

Application deadlines: June 1st, 2019.

Geographic area: Be a citizen and/or permanent resident of Norway.

Programs: Master in Management, Master in Business Analytics and Big Data, Master in International Relations, Master in International Development.

Description: The IE - Kistefos Young Talented Leaders Scholarship for Norway was set up to remove financial barriers to education for high-potential individuals from Norway, helping them unleash their innovative business vision. Founded by Christen Sveaas, Kistefos AS is an investment company with a rich history in pursuing philanthropic projects committed to public service and academic development.

Selection criteria: Open to candidates from Norway with limited financial means, who demonstrate academic and personal excellence, as well as strong leadership capabilities, and an entrepreneurial mindset. We are looking for candidates who are seeking a dynamic, global experience, and are passionate about using their insights to positively impact Norway after graduation. They must have an outstanding academic record, with a minimum GPA of 3.5/4, 4.50/5 or equivalent; demonstrate an international outlook, leadership qualities and a vision to better Norway after graduation and demonstrate proven financial need. An additional essay will be requested and preference will be given to candidates with greater financial need.

Amount: There are both full and partial scholarships available, including room and board, up to a maximum of five awards per year. The amount of aid will be determined on the basis of financial need.

IE - JOSÉ MARÍA CERVELLÓ SCHOLARSHIP

Application deadline: Candidates must submit their application by April 22nd.

Geographic area: All regions.

Programs: IE Law School LL.M. programs.

Description: The José María Cervelló Chair was created in 2004 to honor Don José María Cervelló, the former State Attorney and founder of IE's law programs. He was an exceptional and "atypical" professor, and a pioneer in the development of international law in Spain. The chair was founded with a social purpose in mind; it exists primarily to provide scholarships to students in economic need with a brilliant academic record who wish to pursue a legal degree at IE Law School.

Selection criteria: Any person of Spanish or foreign nationality who has a college degree, or is about to obtain one, in any of the disciplines required to enter an LL.M. program at IE Law School may apply for this scholarship. The committee is also looking for a candidate who demonstrates an excellent academic and/or professional background.

Amount: Several scholarships are available that cover between 50% and 100% of tuition costs.

JOSÉ MARÍA CERVELLÓ LAWYERING SCHOLARSHIPS FOR IE UNIVERSITY ALUMNI

Application deadline: Candidates must submit their application by April 22nd.

Geographic area: All nationalities.

Programs: Doble Master en Abogacía y Asesoría Jurídica de Empresas (LLM), Doble Master en Abogacía y Asesoría Fiscal de Empresas (LLM), Doble Master en Abogacía y Asesoría Jurídica de Empresas bilingüe (LLM), Doble Master en Abogacía, Emprendimiento y Tecnología (LLM).

Description: The José María Cervelló Chair was created in 2004 to honor Don José María Cervelló, the former State Attorney and founder of IE's law programs. He was an exceptional and "atypical" professor, and a pioneer in the development of international law in Spain. The chair was founded with a social purpose in mind; it exists primarily to provide scholarships to students in economic need with a brilliant academic record who wish to pursue a legal degree at IE Law School.

Selection criteria: All IEU students of Spanish or foreign nationality who plan to complete any of the following programs in 2019 may apply for this scholarship: LLB, Dual LLB + BBA, Dual LLB + LPC. Candidates also who must meet the following requirements:

- **Grade-point average:** a minimum of 7.5/10. In addition, active involvement in extracurricular activities at and/or outside the university will be considered. Candidates must successfully make it through the admissions process for any of the master's programs included in this scholarship before March 8, 2019.
- **Amount:** Ten scholarships will be awarded and will cover between 30% and 70% of the *total cost of the program*.
- The IEU Cervelló Lawyering scholarship will be applied together with the 25% scholarship given to IEU alumni.

IE HIGH ACHIEVERS SCHOLARSHIP

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: All programs.

Description: Through the High Achievers Scholarships, the IE Foundation aims to attract and recognize the effort and results of individuals with an exceptional academic and/or professional background.

Selection criteria: These scholarships are aimed at students from a variety of professional and academic backgrounds, regardless of nationality, who stand out for their commitment to all aspects of their professional and academic lives. Any awards or recognitions mentioned in the application will need to be verified. Priority will be given to candidates with the greatest financial need.

Amount: Up to 40% of the program's tuition costs.

IE³ COLLABORATION AWARD

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: All programs.

Description: The IE³ Collaboration Award offers financial aid to aspiring and talented individuals in exchange for their participation on a project at IE. This project could be related to a wide range of areas (admissions, marketing, academia, international development, communication, etc.). The project will be assigned by the Scholarship Committee and will not be chosen by the student. When assigning the project, the Committee will evaluate the candidate's experience and skills, as well as their professional aspirations. Once assigned, the student will sign a partnership agreement, which will establish their role in the project, the tasks they must carry out, the number of hours they must dedicate to the project, and the expected quality level of their work. The project allocation process will not only take into account the excellence of candidates, but also their experience and skills, which must match those required in a range of existing projects at IE.

Selection criteria: The Scholarship Committee will assess the candidate's performance during the admission process along with their academic and/or professional background, motivations, and demonstrated financial need.

Amount: Several scholarships are available, covering up to 35% of the tuition cost of the program.

IE TALENT SCHOLARSHIP

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: All programs.

Description: At IE, we are committed to taking a chance on mavericks; visionaries who are familiar with the latest technologies, value diversity, and possess a unique set of skills and talents. Through the IE Talent Scholarship, we want to recognize merits or skills that go beyond academics and professional advancement, in areas such as sports, art, technology, and/or social engagement.

Selection criteria: The Scholarship Committee will assess the specific talent that makes the candidate stand out. Priority will be given to candidates with the greatest financial need.

Amount: These scholarships will cover up to 30% of the tuition cost of the program.

IE SCHOLARSHIP FOR DIVERSITY

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: All programs.

Description: At IE, diversity is one of our core values. We work to ensure that all of our classes include diverse types of people in terms of gender, race, culture, and professional or academic background. To this end, this scholarship aims to create classes with unique compositions that enrich our students' learning experience.

Selection criteria: Candidates must have an excellent professional and/or academic background and demonstrate financial need. In their scholarship application, candidates must include an essay explaining the added value or exceptional quality that their individual profile would contribute to the class.

Amount: These scholarships will cover up to 30% of the tuition cost of the program.

IE SCHOLARSHIP FOR ENTREPRENEURSHIP

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: All programs.

Description: IE is fully committed to fostering an entrepreneurial mindset among current students and alumni who wish to launch their own business ventures, or want to develop themselves as executives committed to corporate innovation. Success in entrepreneurship requires the efficient management of innovative initiatives, whether they be new companies, multinational companies, or social enterprises. The IE Entrepreneurship Scholarship aims to support candidates with a clear entrepreneurial affinity who have previously or are currently developing a new business or initiative within an existing company.

Selection criteria: Candidates must show that they have participated in the launch of a company or demonstrate their entrepreneurial spirit by presenting a viable, creative, and innovative business idea. Priority will be given to candidates who demonstrate difficulty in financing the program of their choice.

Amount: These scholarships will cover up to 30% of the tuition cost of the program.

IE SCHOLARSHIP FOR TECHNOLOGY & INNOVATION

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: All programs.

Description: At IE, we know that technology is an integral part of business, regardless of the sector. We are committed to technological immersion in education and the business world and shaping leaders, empowering them to face the challenges of digital transformation.

Selection criteria: Candidates must have (i) at least one year of relevant professional experience; (ii) an accredited interest in technology, digital business and strategy, digital and analytical transformation; (iii) experience or training in STEM, business studies, or the social sciences; and (iv) an international profile.

Amount: These scholarships will cover up to 30% of the tuition cost of tuition.

IE SCHOLARSHIP IN THE HUMANITIES

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: All programs.

Description: IE positions its educational commitment in a framework, which forces on the diversity of nationalities, cultures, and ideas; the entrepreneurial mindset; technological immersion for an innovative culture; and the study of humanities to understand the world. IE University considers the humanities one of its foundations and constantly promotes the intellectual and professional development of students who cultivate, study, and enjoy disciplines and fields such as history, philosophy, the art of public speaking, and literature, as well as the rich neighboring universe of culture and the arts. As part of this effort, IE Foundation sets aside a number of scholarships for undergraduate and graduate studies. Thanks to our educational approach based on the humanities, our students can benefit society with a different and constantly renewed perspectives of the world. Scholarship recipients will engage in various activities through the IE Humanities Center.

Selection criteria: In addition to a strong academic and/or professional background, candidates must demonstrate that they have participated publicly and regularly in activities related to the humanities (literary awards, small publications in their department or an academic journal, literary or arts clubs, cultural or aesthetic use of social media, debate clubs, professional activities at cultural institutions, photography, etc.). Recognition by means of awards will be viewed positively. Priority will be given to candidates with the greatest financial need.

Amount: These scholarships will cover up to 30% of the cost of tuition.

IE SCHOLARSHIP

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: All programs.

Description: This scholarship is intended for candidates with limited financial resources that stand out in the admission process whether for the result of their admission tests, their academic or professional careers, or their international perspective.

Selection criteria: The merit and potential of the applicant will be assessed, giving priority in this case to economic difficulties in financing the program.

Amount: The amount of these scholarships towards tuition fees will depend on the available funding, the profile, and the specific circumstances demonstrated by an applicant.

IE WOMEN LEADERSHIP SCHOLARSHIP

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: All programs.

Description: At IE, we are firmly committed to supporting women in their transition to leadership positions and senior management roles. With this scholarship, we want to support outstanding women who have exhibited leadership skills in their community, academic institution, or workplace, and who wish to contribute to the advancement of other women in their professional or personal environment.

Selection criteria: The Scholarship Committee will take into account the candidate's academic/professional background, as well as their potential to take on leadership positions and be an agent of change for future generations. Priority will be given to candidates who demonstrate limited economic resources.

Amount: These scholarships can cover up to 40% of the tuition cost of the program.

IE WOMEN SCHOLARSHIP

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: All programs.

Description: IE has always been committed to diversity as a core value of the institution. With this in mind, the IE Women Initiative aims to encourage women's leadership development, especially in technology, by fostering their entrepreneurial qualities and strengthening their leadership skills. The IE Women scholarship aims to support proactive and motivated women who are focused on achieving important goals in their professional and personal life, as well as determined to act as a role model for other women.

Selection criteria: This scholarship is available for all women admitted to an IE master's program with demonstrable achievements, such as good career development, leadership, and interpersonal and teamwork skills. Both merit and financial need will be taken into account.

Amount: These scholarships will cover up to 25% of the tuition cost of the program.

IE WOMEN IN STEM SCHOLARSHIP

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: All programs.

Description: This is a scholarship specifically designed to support the careers of women who are gaining or already have relevant professional experience in STEM fields.

Selection criteria: Women who are able to demonstrate professional experience in STEM-related fields (science, technology, engineering or math) may apply, as well as those pursuing or planning to pursue a meaningful career in this area (demonstrating such motivation through their university studies or other experiences). Selection will be based on the candidate's academic and/or professional merit alongside their proven financial needs.

Amount: These scholarships will cover up to 30% of the tuition cost of the program.

IE WOMEN IN FINANCE SCHOLARSHIP

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: All programs.

Description: IE wants to encourage and support women, regardless of their age or nationality, who demonstrate a real interest in the world of finance and, in return, contribute to the end of gender differences that exist in an industry currently dominated by men. This scholarship is aimed at outstanding women with experience in finance or who wish to develop a career in this field.

Selection criteria: Women with an outstanding academic and/or professional background related to the world of finance, or women who can demonstrate a clear interest in this field and are undertaking a master's program at IE in order to pursue it. The Scholarship Committee will assess both merit and the need demonstrated by the candidate to determine the amount of the scholarship.

Amount: These scholarships will cover up to 30% of the tuition cost of the program.

IE-FORTÉ MBA FELLOWSHIP

Application deadline: Prior to the start of the program.

Geographic area: All regions.

Programs: MBA programs.

Description: IE and the Forté Foundation share a commitment to supporting women in their professional development. Through their scholarship program, various fellowships are awarded each year to women who stand out for their achievements. The fellowship goes beyond financial support, offering a number of unique resources and giving

recipients access to a community of women and businesses that work together to increase the representation of women in managerial positions.

Selection criteria: Candidates must exhibit leadership skills and a commitment to supporting women in their community. The committee will consider: (i) personal, academic and professional achievements; (ii) performance during the admissions process; and (iii) the candidate's involvement in projects or programs that support women's development. The candidates' financial situation will be considered.

Amount: Each year, several scholarships are awarded that cover between 10,000 and 20,000 euros (on average) of the tuition cost of the program.

IE - QUEEN RANIA FOUNDATION SCHOLARSHIP FOR WOMEN LEADERS

Application deadline: Prior to the start of the program.

Geographic area: Candidates with Jordanian nationality and permanent residence in Jordan at the time of application.

Programs: All master's programs (excluding dual programs).

Description: The IE Foundation and the Queen Rania Foundation, through these scholarships, want to support the professional development of Jordanian women with notable personal achievements by guaranteeing that economic circumstances do not stop them from achieving their goals.

Selection criteria: This scholarship is exclusively for women with Jordanian passport who are residing in Jordan when they apply for the scholarship. Candidates' academic record, personal achievements and demonstrable economic need will be assessed.

Amount: Up to three scholarships are available on a year basis, covering up to 40% of the tuition cost.

IE SCHOLARSHIP FOR COUNTRIES IN SPECIAL SITUATIONS

Application deadline: Prior to the start of the program
Geographic area: Countries affected by special situations
Programs: All programs.

Description: One of the IE Foundation's main objectives is to promote the highest standards in education worldwide, recognizing that education is the fastest means for the development of societal welfare. Aware of this fact, the IE Foundation has a special commitment to countries experiencing challenging situations that limit their citizens' access to education and impede their social development as a result. An economic crisis, severe currency devaluation, and natural disasters, among others, are situations that can directly affect our candidates' personal career plans and lead them to feel obligated to put their professional and/or academic development on hold. The IE Foundation reserves a special scholarship fund for candidates who have been directly affected by these circumstances. The fund aims to mitigate the effects of these exceptional situations and thus contribute to the continued development of candidates' career plans.

Selection criteria: The candidate must show that they have been directly affected by an exceptional situation in their country of residence.

Amount: The amount of these scholarships towards tuition fees will depend on the available funding, the profile, and the specific circumstances demonstrated by an applicant.

IE ASIA PACIFIC TALENT SCHOLARSHIP

Application deadline: Prior to the start of the program.

Geographic area: Candidates with citizenship and/or residency in the Asia Pacific region.

Programs: All programs.

Description: This scholarship aims at professionals in the Asia Pacific region with an extraordinary academic and/or professional profile, leadership skills, and significant growth potential. Special consideration will be given to candidates who demonstrate economic need and difficulties in obtaining student loans.

Selection criteria: Candidates must demonstrate strong work experience in Asia Pacific countries and must have the ability and intention to contribute to their region's development. Priority will be given to candidates who demonstrate difficulties in financing their program of study.

Amount: These scholarships will cover up to 35% of the cost of tuition.

IE LATIN AMERICA FUTURE LEADERS SCHOLARSHIP

Application deadline: Prior to the start of the program.

Geographic area: Candidates with citizenship and/or residency in Latin America.

Programs: All programs.

Description: This scholarship aims at professionals in Latin America with an extraordinary academic and/or professional profile, leadership skills, and significant growth potential. Special consideration will be given to candidates who demonstrate economic need and difficulties in obtaining student loans.

Selection criteria: Candidates must demonstrate strong work experience in Latin American countries and must have the ability and intention to contribute to their region's development. Priority will be given to candidates who demonstrate difficulties in financing their program of study.

Amount: These scholarships will cover up to 35% of the cost of tuition.

IE SCHOLARSHIP FOR EASTERN EUROPE , CENTRAL ASIA & ISRAEL

Application deadline: Prior to the start of the program.

Geographic area: Residents and/or nationals of countries in Eastern Europe, Central Asia and Israel.

Programs: All programs.

Description: This scholarship aims at professionals in Eastern Europe, Central Asia and Israel with an extraordinary academic and/or professional profile, leadership skills, and significant growth potential. Special consideration will be given to candidates who demonstrate economic need and difficulties in obtaining student loans.

Selection criteria: Candidates must demonstrate strong work experience in Eastern Europe a Central Asia and Israel, and must have the ability and intention to contribute to their region's development. Priority will be given to candidates who demonstrate difficulties in financing their program of study.

Amount: These scholarships will cover up to 35% of the cost of tuition.

IE MIDDLE EAST & AFRICA SCHOLARSHIP

Application deadline: Before the start of the program
Geographic area: Africa and the Middle East
Programs: All programs.

Description: This scholarship aims to increase the number of candidates from underrepresented communities from Africa and the Middle East in IE master's programs. Special consideration will be given to candidates who demonstrate economic need and difficulties in obtaining student loans.

Selection criteria: Candidates must demonstrate a minimum of two years of residency in Africa and/or the Middle East. The candidate's performance during the admissions process, academic/professional background, and growth potential will be assessed. Priority will be given to candidates who demonstrate difficulties in financing their program.

Amount: Up to 40% of the program tuition fees.

IE AFRICA TALENT COLLABORATION AWARD

Application deadline: Prior to the start of the program.

Geographic area: Africa.

Programs: All programs.

Description: The Africa Talent Collaboration Award scholarship is aimed at professionals in Africa with an extraordinary academic and/or professional profile, leadership skills, and significant growth potential. Special consideration will be given to candidates who demonstrate economic need and difficulties in obtaining student loans. Selected candidates will participate in projects related to the IE Africa Center: www.ie.edu/africa.

Selection criteria: Candidates must demonstrate strong work experience in African countries and must have the ability and intention to contribute to their region's development. Priority will be given to candidates who demonstrate difficulties in financing their program of study.

Amount: These scholarships will cover up to 35% of the cost of tuition.

IE-NORTHWESTERN UNIVERSITY SCHOLARSHIP

Application deadline: July 1st, 2019.

Geographic area: All regions.

Programs: IE Northwestern Executive LL.M.

Description: Through this scholarship, IE Law School and the Northwestern Pritzker School of Law aim to support legal professionals who wish to pursue the necessary training to lead the major changes occurring in the legal sector. The aim of this scholarship is to reward and attract the best talent to demonstrate an absolute commitment to excellence.

Selection criteria: The Scholarship Committee will consider the candidate's performance during the admissions process, their professional achievements and other demonstrated merits, along with their financial situation. In order to apply for this scholarship, candidates must be admitted into the program before July 1st, 2019.

Amount: several scholarships of up to 30% of the tuition fees.

IE - SMU SCHOLARSHIP

Application Deadline: Prior to the start of the program.

Geographic Area: All regions.

Programs: IE SMU MBA Program.

Description: IE-SMU scholarships are aimed at providing students the opportunity to extend their professional outlook and network, apart from acquiring the state-of-the-art education taught at IE and SMU. Within this type of award there are four different categories:

- **IE-SMU Women in Business Scholarship:** This award aims to recognize exceptional women who have demonstrated outstanding leadership capabilities or potential in their professional or personal endeavor.
- **IE-SMU Impact on Asia Scholarship:** The IE-SMU MBA is creating a significant impact across Asia. We look forward to welcoming applicants who can demonstrate achievements in their professional, social, and personal life that have created an impact on Asia. This would include professional development or personal projects that have contributed positively to Asian regions or companies, entrepreneurial projects with an Asian focus, and increased the awareness of Asia in other locations.
- **IE-SMU Global Awareness/Diversity Scholarship:** awarded to individuals who will contribute to classroom diversity and enrich the learning experience of students by way of cultural, personal, or professional backgrounds.
- **IE-SMU Leadership Scholarship:** This award recognizes individuals with strong leadership capabilities who exhibit outstanding leadership potential in their profession, community or organization. Applicants must demonstrate strong leadership capabilities or potential in personal and professional instances.

Selection criteria: These scholarships are only available for candidates admitted to the IE SMU MBA. The Scholarship Committee will assess the following: admission process, academic records, professional background, and proven financial-need. Candidates will be required to include in their scholarship application a specific essay indicating which scholarship applies best to their profile and why they deserve it (accrediting any academic, professional and personal merits alleged). Please note that IE Business School and SMU expect you to provide details of efforts made to secure financial support.

Amount: The amount covered will depend on the profile and need of the candidate and the funds available at the time of application.

IE BROWN EXECUTIVE MBA SCHOLARSHIP

Deadline: Before the start of the program.

Geographic area: All regions.

Programs: IE Brown Executive MBA.

Description: Combining IE's strength in practice-oriented management education and Brown's excellence in the humanities, social-, biological- and physical sciences, the two schools created the jointly awarded IE Brown Executive MBA degree with a single purpose: to develop well-rounded managers and entrepreneurs who do not shy away from difficult questions. The IE-Brown Executive MBA scholarships are aimed to provide excellent students the opportunity to extend their professional outlook and network and become change agents within their organizations, industries and communities. Within this type of award there are three different categories:

- **IE-Brown EMBA Women in Business Scholarship:** This award aims to recognize exceptional women who have demonstrated outstanding leadership capabilities or potential in their professional or personal endeavor.
- **IE-Brown EMBA Diversity Scholarship:** awarded to individuals who will contribute to classroom diversity and enrich the learning experience of students by way of cultural, personal, or professional backgrounds.
- **IE-Brown EMBA Leadership Scholarship:** This award recognizes individuals with strong leadership capabilities who exhibit outstanding leadership potential in their profession, community or organization. Applicants must demonstrate strong leadership capabilities or potential in personal and professional instances.

Selection criteria: These scholarships are only available for candidates admitted to the IE-Brown Executive MBA. The Scholarship Committee will assess the following: admission process, academic records, professional background, and proven financial-need. Candidates will be required to include in their scholarship application a specific essay indicating which scholarship applies best to their profile and why they deserve it (accrediting any academic, professional and personal merits alleged). Please note that IE Business School and Brown University expect you to provide details of efforts made to secure financial support.

Amount: The amount covered will depend on the profile and need of the candidate and the funds available at the time of application.

IE - CAIA SCHOLARSHIP

Deadline: At least one (1) month in advance from the start date of the targeted program.

IE - US MILITARY VETERANS FELLOWSHIP

Application deadline: Prior to the start of the program Geographic area: United States of America Programs: International MBA.

Description: IE is the ideal place for Veterans of the United States Armed Forces who are looking to continue their international experience and transitioning to a business career. As part of our education benefits for veterans, Military Fellowships at IE are provided to recognize those contributions of men and women who have served in the United States Armed Forces. These individuals are distinguished leaders in a variety of our programs, contribute to the IE community, and embody our core principles: diversity, entrepreneurship, humanities and social responsibility.

Selection criteria: IE- US Military Veterans Fellowships provided at IE are available exclusively for those who are former members of the United States Armed Forces. The Scholarship Committee will assess the following: admission process, academic records, professional background, and proven financial-need.

Amount: these scholarships cover up to 40% of the program tuition fees.

IE WOMEN SCHOLARSHIP & MENTORING PROGRAM

Deadline: May 1st, 2019.

Geographic area: All regions.

Programs: International MBA 2019 September intake.

Description: This program focuses on developing future generations of female leaders by uniquely pairing financial support with access to IE's valuable Women Mentoring program, a highly coveted and selective program in existence for more than ten years at IE, offered by the IE Center for Diversity in collaboration with the IE Women in Business Club.

In addition to receiving a thirty percent (30%) scholarship toward the tuition fees of their Master's degree, award recipients will participate in said mentoring program and will be paired with a mentor, benefiting from a unique opportunity to enhance both their personal and professional development outside the classroom. All mentors in the program are successful business men and women, or professionals at board or senior executive levels, who have years of experience in a variety of industries.

Selection criteria: female candidates who demonstrate notable professional/personal/academic achievements, find themselves in a growing point in their professional career or entrepreneurial endeavor, and exhibit leadership skills through involvement in their community/workplace, extracurricular activities, volunteer positions, and/or work experience. Financial need will be taken into consideration. To be considered, candidates will also have to be willing to commit and actively engage in the program. An additional essay will be requested.

Amount: up to three scholarships of 30% of the program tuition fees.

AID THAT REQUIRES A SCHOLARSHIP APPLICATION THROUGH AN EXTERNAL PARTNER

Please note that in order to be granted any of the following awards, an offer of admission to IE will also be required
