

# KISTEFOS YOUNG TALENTED LEADERS SCHOLARSHIP

AFRICA

The Kistefos Young Talented Leaders Scholarship at IE was set up to remove financial barriers to education for high-potential individuals from Norway and Africa, helping them unleash their innovative business vision. Founded by Christen Sveaas, Kistefos AS is an investment company with a rich history in pursuing philanthropic projects committed to public service and academic development.

This generous donation is the most recent installment in IE Foundation's Talent without Borders scholarship program, which awards scholarships to students from over 90 countries every year. The program was founded on the firm belief that talented individuals should have access to education, regardless of their socio-economic background.

With 46 scholarships available over a period of 4 years, 24 will be awarded to students from Ethiopia, Liberia and South Africa, with the remaining 22 destined for individuals from Norway.

“  
My time at IE gave me the chance to expand my options, network, experiences and education. My advice is to grab this scholarship opportunity with both hands and make the most of it, as it will change your life for the better. The world needs solutions and you can help uncover them, starting right here!

“  
Africa's young population will soon become tomorrow's leaders. In the coming years, no other region in the world will have such high demand for management education, which will drive sustained economic growth and innovation.  
”

Christen Sveaas,  
EXECUTIVE CHAIRMAN AND OWNER,  
KISTEFOS AS

## WHO IS THIS SCHOLARSHIP FOR?

This initiative is open to candidates from Ethiopia, Liberia and South Africa who demonstrate academic excellence, strong leadership capabilities and an entrepreneurial mindset. We're looking for candidates who are seeking a dynamic, global experience, and are passionate about using their insights to positively impact their home countries after graduation.

There are both full and partial scholarships available, including room and board for Master's programs focused on technology, business and development.
