

Student Guide to Requesting Academic Accommodations

Functional Diversity Department

Before starting the process, please make sure you have all electronic copies of your **diagnostic reports (including standardized testing) and/or proof of difficulties**. You will need to upload your documents during your official request.

1) The following link should directly open the <u>Special Education Needs Questionnaire</u> (Please make sure you are logged in with your IE user account):

Request for Exam and Classroom Accommodations

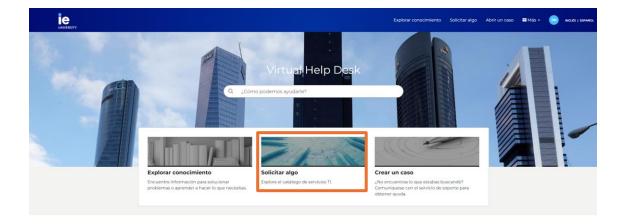

The following web page should open:

Browse knowledge Request something Create a case III More - 💌 ENCLISH SPANISH UNIVERSITY
Home > All Catalogs > Student General Request > Special Education Needs > Search Q Academic Accomodations
Academic Accomodations Academic Accomodations
Thank you for accessing the SPECIAL EDUCATIONAL NEEDS QUESTIONNAIRE.
Required information Genery Nationality Country of origin Home town Campus

- 2) Scroll down and fill in your personal information.
- 3) Upload your documents and subscribe.
- Contact the Functional Diversity team to request your appointment: Undergraduate students: functionaldiversity@ie.edu Graduate students: functionaldiversity_masters@ie.edu

In case you are not able to access the previous link provided, please try using a <u>different browser or use the following link</u> through your student portal:

https://ie.service-now.com/esc

1) Click on "request Something"

You should Access the following Catalogs:

1) All Catalogs \rightarrow "Student General Requests" \rightarrow "Special Education Needs"
