

YEAR 1

MADRID / IE UNIVERSITY

1ST SEMESTER

You've landed at IE University in Madrid. Get ready for a fulfilling experience.

From day one: beyond business fundamentals, integrating Global Foresight & Regional Insights, Impact Skills, and Career Development within a strong European business context.

YEAR 2

DUBAI / AUD (American University in Dubai)

Move to Dubai, a fast-growing innovation hub, with support from IE Business School and AUD. Immerse yourself in opportunities across capital markets, finance, economics, and marketing.

YEAR 3

SINGAPORE / Singapore Management University

Your around-the-world journey takes you to Singapore, where you'll get up close to the vibrant Asia-Pacific market.

Take part in the team-based IE Challenges for your shot at solving real-world problems.

YEAR 4

MADRID OR NYC / IE UNIVERSITY or IENYC

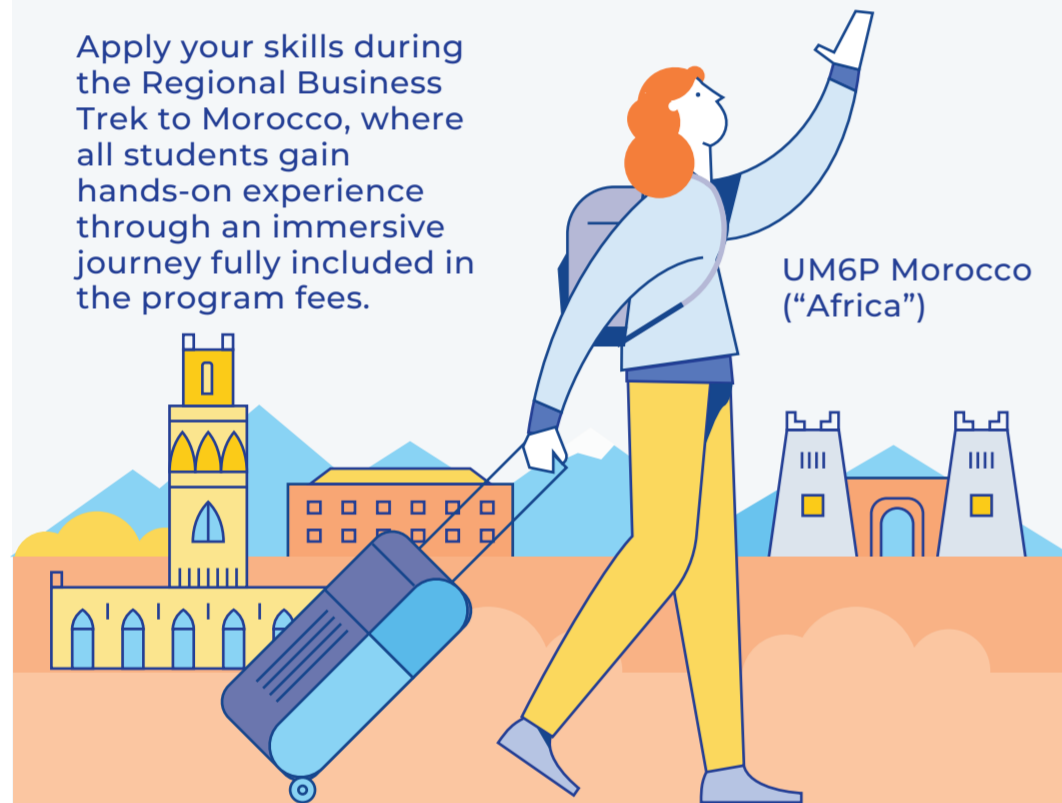

Finish your studies in Madrid or choose the 3+1 track in New York.

New York: Pursue a master's in management, finance, sustainability or marketing alongside the program. Students wrap up with a final business trek to Chile.

Madrid: Take concentrations in areas like strategy or sustainability, work on your Final Degree Project and join a Business Trek to New York.

2ND SEMESTER

Apply your skills during the Regional Business Trek to Morocco, where all students gain hands-on experience through an immersive journey fully included in the program fees.

UM6P Morocco ("Africa")

IE Faculty will travel for the Foresight Module and Impact Skills. Some sessions will be online, building key hybrid work skills.

Career Development: company visits & local industries.

Student Life & Clubs (AUD): expand your network

IE Networking Events: connect in the region

The optional trek to Saudi Arabia offers deeper insight into regional business ecosystems.

Choose electives with local and exchange students to shape your career.

Embark on a Business Trek to China or Southeast Asia to explore AI, sustainability and social impact in leading markets.

An exciting choice: Madrid or New York next year.

\*Option to complete an internship available.

Time to take electives or do an internship. Your courses finish and you apply for your next educational step or job with help from our Careers team.

Present your final project to a jury of academics and professionals.

Enrich your summers during the first three years with optional experiences offering global exposure through Latin America, Africa, and annual Summer Programs.
