INTRODUCTION

At IE University, our mission is to help students and alumni map outstanding career paths. In our relentless efforts to foster professional advancement, our IE Talent & Careers team provides tailored career advising, curated learning resources and personal development tools.

At the same time, we connect students and alumni to companies seeking top talent. The team works tirelessly to discover exclusive opportunities that fit unique goals. A regular schedule of career workshops, talent forums and networking events bridge gaps with the professional world even more, ensuring the IE Community excels in today's competitive job market.

With this strong foundation, our graduates are guaranteed to stand out in the world of work. We're thrilled to keep up with their progress and highlight their notable achievements after the **Master in Applied Economics**. These accolades prove that the holistic approach taken at IE School of Politics, Economics & Global Affairs works and is shaping the next generation of innovative leaders and change-makers.

The programs offered by IE School of Politics, Economics & Global Affairs are unique in several ways:

- A hands-on approach: our unique approach to learning allows students to put theory to practice from the start.
- Collaborations with partners: our close professional relationships with organizations like PwC, Caixa Bank and BBVA foster immersion into the world of work.
- Cutting-edge tools and technology: our facilities are equipped with today's leading tools and tech to ensure students stay ahead of the curve.

Rooted in academic excellence, graduates of the **Master in Applied Economics** are already redefining their careers. The class of 2023 is transforming civil society and the private and public sectors. Today, they're adding value in diverse roles, leveraging their skills and global mindset to foster innovation and positive impact.

And they're not alone; as **Master in Applied Economics** graduates navigate an evolving professional landscape, the international IE Alumni network offers invaluable support. With 80,000+ alumni spread over 170 countries worldwide, the class of 2023 will find community no matter where they go.

**\$26
TRILLION**

in economic benefits around the world is projected by UN-backed commitments to combat climate change.

15%

the predicted increase in jobs for financial managers by the end of the decade.
