# INTRODUCTION

---

Welcome to IE Law School, where we're redefining the future of legal education. Our vision transcends traditional boundaries that have long defined the legal profession. At heart, we're guided by our commitment to excellence and innovation, fostering an environment that prepares skilled legal professionals while developing their capacity to effect meaningful change in our society. It's reflected in our comprehensive research, innovative teaching methodologies, world-class faculty and legal and institutional partner network. Our experiential approach thrives on the strength of a unique pedagogical style emphasizing practical Comparative Law that transcends jurisdictions and borders. By imparting an international mindset and experience, we empower the graduating class of the **Master of Laws (LL.M.)** to navigate and reshape the global landscape of legal practice.

Pursuing justice and the rule of law has never been more important. We prepare lawyers and expert jurists for roles that require holistic understanding of the practice of law in an increasingly interconnected world. And we help them on their professional path with personalized guidance, resources and networking opportunities from the IE Talent & Careers team. Through our **Master of Laws (LL.M.)**, graduates acquire the multidisciplinary skills to tackle modern global challenges with creativity, empathy and an unwavering focus on justice. Whether aspiring to lead in corporate law, influence public policy or advocate for human rights, our graduates are empowered to excel in a dynamic, ever-evolving international arena.

After getting a law degree in my home country I decided I wanted to pursue a career as a corporate lawyer in Spain. IE's LL.M. program was the perfect fit for me, offering a unique blend of legal and business courses, essential for any corporate lawyer who wants to better understand and advise their clients. I am currently working as an associate at Pérez-Llorca in the corporate law and M&A department.
