

IE FOUNDATION FELLOWS PROGRAM

EMPOWERING FUTURE
GENERATIONS OF IE TALENT

The IE Foundation Fellows Program consists of an Honors program that brings together a selected group of past and present IE University students with extraordinary academic and extracurricular profiles and who have received one of our scholarships.

At IE Foundation we live by our deeply held commitment to the power of ‘Talent Taking Care of Talent’.

We believe that we all deserve the opportunity to achieve our full potential and we work to eliminate economic barriers to education and to offer resources to projects that add value to the academic community and to society as a whole. For this reason, we dedicate a significant part of the donations generously made by students, alumni, parents, corporate partners and other benefactors, to award scholarships to the most qualified and gifted candidates through a rigorous selection process.

We select our IE Foundation Fellows with the utmost care and rigor based on their outstanding academic, professional and personal achievements.

We draw the best candidates to join the program from a large pool of talented and highly qualified aspirants worldwide to form a group of past and present scholarship recipients.

Of all the talented students who receive an IE Foundation scholarship every year, only a 12% are chosen to become members of this unique and exclusive community of IE Foundation Fellows that connects the future leaders and change-makers.

The value of being an IE Foundation fellow

Life as an IE Foundation Fellow acts as a catalyst for becoming a successful change agent.

Our Fellows receive dedicated guidance by the directors of IE Foundation while enjoying access to unique networking opportunities through activities and events organized by IE Foundation and IE University. In this way, they forge exclusive and lasting relationships with their peers, teachers, sponsors and partners. Additionally, they have access to on-demand counseling at IE University and unlimited access to the IE University Library extensive collection, during and after the Program.

A community of future leaders and change-makers

As a fellowship of donors, we believe in our IE Foundation Fellows and in the transformational role that education will play in their future. We count on our Fellows to become committed IE Foundation ambassadors, always highly motivated to make a positive impact on our community.

First as students, and later as members of the alumni community, they play an active role in initiatives such as being a mentor by providing guidance and opportunities for IE talent in their area of expertise or joining our efforts to grow the IE Scholarship Fund through different Giving Back initiatives.
