

## Tenure Track Faculty Positions – Digital Media and UX/XR

IE University's School of Human Sciences and Technology [HST](#) invites qualified applicants for full-time, tenure-track faculty positions in **Digital Media and UX/XR** (User Experience and Extended Reality) beginning September 2020, in Madrid. Relevant, high-impact research and knowledge creation is a critical part of the mission of the school, and we are currently seeking to build a team of foundational research faculty as part of the next phase of our expansion.

We are open to candidates from diverse academic backgrounds including, for example: communication, digital media, marketing, branding, design, software design and development.

### **RESPONSIBILITIES:**

Our faculty are expected to publish in peer-reviewed journals, present in international venues, teach courses at the Bachelor and/or Master level, and provide intellectual leadership within HST in their areas of expertise (and more broadly, across IE University). Salaries will be commensurate with qualifications and experience.

### **QUALIFICATIONS**

Applicants will have earned a Ph.D. from a recognized school in a relevant discipline. Candidates should have training and active research agendas that make contact with one or more core areas of Digital Media and UX/XR such as:

- **Interactive Narratives**
- **Visual Storytelling**
- **User Experience (UX)**
- **User Interface (UI)**
- **Extended Reality (XR) and Content Design**
- **Human Computer Interaction (HCI)**
- **Branded Content Creativity and Business Models**

### **HOW TO APPLY:**

Applications should include a cover letter, curriculum vitae, research and teaching statement and three confidential recommendation letters.

Please submit your application by March 10<sup>th</sup>, 2020 via Interfolio at: <http://apply.interfolio.com/73119>

### **ABOUT HST AND IE UNIVERSITY:**

As one of the five schools of [IE University](#), HST uniquely integrates fields spanning human sciences and technology. We are an innovative and rapidly growing school whose mission is multi-disciplinary knowledge generation and the education of a new generation of professionals via degree programs that break-down traditional academic boundaries, blur the line between the classroom and the workplace, and prepare graduates for success in the new economy.

IE University is an internationally recognized institution originally founded as a business school. The university is comprised of schools of Business, Human Sciences & Technology, Law, Global and Public Affairs, and Architecture & Design. We consider ourselves the most international institution of higher education with approximately 85% of our students coming from outside Spain and typically over 120 countries represented on campus. Our Madrid postgraduate campus is situated in the financial district of this vibrant, cosmopolitan capital city of over 5 million people. In 2020, we will open the doors to our new undergraduate Learning Tower – a vertical campus which will be one of the 5 towers occupying the skyline of Madrid. Our undergraduate Segovia campus is located in the historic quarter of this World-Heritage city, 30 minutes by high-speed train from Madrid.
