

SWORN TRANSLATORS

RECOMMENDATIONS FOR IE STUDENTS

TRANSLATORS RECOGNIZED BY SPANISH AUTHORITIES

Find the list of recognized SWORN translators [HERE](#).

The list is organized by country (País), province (Provincia), language (Idioma) and professional profile: Sworn interpreter (Intérprete jurado), Sworn translator and interpreter (Traductor/a Intérprete Jurado/a), and Sworn translator (Traductor/a Jurado/a). Kindly note that the “Activo” box must be ticked, otherwise we cannot guarantee sworn translators will be available at the time.

Once you have selected your preferences according to your particular needs, click the “Buscar” button and a filtered list of sworn translators will automatically display with all the information required to contact them.

Many translators can receive a scanned copy of your document, translate the document, and send their original copy to your address (if necessary). Please check fees with the translators before agreeing to their services, as pricing can vary quite a bit.
