

Working in Spain

Want to pursue a career in Spain after graduation and don't know where to begin?

Discover the different legal permits available to non-EU IE students to start their own company, work for an employer, or remain in Spain whilst looking for a job.

Disclaimer

Kindly note this is an overview of the general requirements for each permit and that eligibility will depend on each student's specific situation. Information provided in this document reflects regulation established by the Spanish Government as of November 2019 and is subject to amendments as per those in the Law.
