

IE Graduate Summer School benefits:

The IE Summer School is an intense three-week program that offers undergraduate students and recent graduates the opportunity to follow courses across a diverse range of disciplines taught by top quality faculty while enjoying the lively city of Madrid through different extra-curricular activities and team building.

Upon completion of this programme, all Graduates from the **Graduate Summer School** will be entitled to the following benefits if they apply to one of **IE's Master programmes**:

- Exemption from the application fee of €125
- Fast-track Admissions service, with a response confirming their admission's status within three weeks of submitting all required documents
- The student will be required to submit just one letter of recommendation. The normal process requires two.

Please note that this is applicable to all Graduates from the previous editions. The student should mention that they are a Graduate from the programme when applying.
