

# FINAL PROJECT

---

## **OBJETIVES**

The main idea of this master thesis project is to serve as a platform for the starting work you might perform in your future dissertation.

## **CONTENT**

This project must contain the purpose of the investigation, Literature review, research questions, hypotheses and data (if any at this point), possible contributions, expected findings and conclusions.

## **PRESENTATION RULES**

The student need to submit a document of 15-20 pages and PPT presentation of 20 slides. They will have 15 minutes to present their project followed by 5-10 minutes of Q&A.

The student will present the project to a committee composed by 3 members of the Faculty.

## **EVALUATION CRITERIA**

The following factors (with their relative weight) will be used to evaluate the final presentation:

- Originality (25%)
- Methodology of the work (25%)
- Quality of the Thesis (25%)
- Quality of the answers provided (25%)
